April 11th, 2007

2007 PRESS RELEASE

Dear Mr. Wilder, Editing Director

# THE **BEAR**® IS BACK!

The passion for innovation continues as Cartek announces a new benchmark in Wheel Alignment Technology. As testament to its quality workmanship and dedication its products and customers, Cartek is pleased to announce an unprecedented 5 year warranty coverage for all new **BEAR** alignment equipment within its **SML** family of Wheel Alignment Systems.

For five years your valued investment in a new **BEAR** alignment system will be guaranteed under the longest warranty program offered in the industry. This warranty covers all major internal components from the electronic circuit boards in our durable wheel units to our ultra-accurate cameras.

This exclusive warranty does not cover low cost consumables such as batteries and external cables but will cover your computer and everything found within the main cabinet!

For more information visit us on the web at [www.cartek.com](http://www.cartek.com) or email [marketing@cartek.com](mailto:marketing@cartek.com).

"We believe Bear builds the finest and most durable aligner in the world. We are now backing that up with the industry's best and longest warranty".

Sincerely,

Eric S. Rohs
